Your essential guide to the activities and options for BHMS's After-School Enrichment program.

**OTTAWA
ROBOTICS
ACADEMY**

REGISTRATION

Programs are available to all students enrolled in the All Day program option; 8:00 (or 8:30) to 5:00 (or 5:30). Additional spaces may be available for students not enrolled in the All Day program, at an additional cost. To register for any of these programs, please complete the registration form and submit it to our office.

**** Families considering more than 1 After School program should consider amending their school hours to 5:00 or 5:30 entitling you to all the After School programs.**

CHESS

With an experienced and dedicated teacher, the students will be introduced to the game of chess, developing logical thinking, self-confidence and the ability to concentrate in a stimulating, structured and fun environment.

Each lesson includes instruction at the start of class, purposeful practice, and review. The chess teaching program has nine levels, from beginners to advanced players. Part of every lesson is actual chess play with the instructor supervising the games and offering tips and advice. Exercise sheets are provided each week and at the end of each course a certificate of achievement is awarded to each student.

INSTRUCTORS: OTTAWA CHESS-MATH

ROBOTICS

Using various robotics platforms, including Lego Robotics, students will work together to design, build & program functional robots. Students will be introduced to concepts such as motors & gears, sensors, visual basic programming and coding.

Students will learn STEM concepts and cultivate their curiosity for the technological world as they bring their robotic creations to life!

**No previous robotics experience is necessary.*

FIBER ARTS

Fiber artist Kerri Griffin is back by popular demand to demonstrate the endless creative possibilities of fiber arts.

Students will learn the basic skills and techniques of knitting, beading, string art & embroidery to create their own fiber art masterpieces.

INSTRUCTOR: KERRI GRIFFIN

TENNIS/BADMINTON CLASS

As one of the leading experts in Progressive Tennis for children, coach Sean Fowler uses modified equipment & special techniques to guide students through a series of drills, rallies and interactive games created to ensure early learning success at the game.

Passionate about racquet sports, Sean builds a rapport with students as they learn the fundamentals of tennis & badminton in a fun and encouraging environment.

Coach Sean Fowler has taught racquet sports for over 19 years and won a Coaching Excellence Award from the City of Ottawa.
