REGISTRATION

Programs are available to all students enrolled in the All Day program option; 8:00 (or 8:30) to 5:00 (or 5:30). Additional spaces may be available for students not enrolled in the All Day program, at an additional cost. To register for any of these programs, please complete the registration form and submit it to our office.

**** Families considering more than 1 After School program should consider amending their school hours to 5:00 or 5:30 entitling you to all the 5 After School programs.**

ART & PHOTOGRAPHY

Ms. Donia from the Ottawa School of Art has come back with an exciting Arts & Photography program. Using individual digital-cameras the students will be taught various techniques for capturing unique photos. Interesting venues both indoors and outdoors will be explored for varying perspectives. Collages or one unique photo will be framed by each student.

INSTRUCTOR: Ms. Donia, Ottawa School of Art

LEGO MECHANICS

Hosted by Ian Dudley and instructor Ben through Orange Stem Organization, they have put together a clever and interactive Lego Mechanics program. Individual and team building skills, planning, design and execution of ideas will engage each student to make ideas become interesting futuristic realities.

This course has limited capacity and will run 3:45 – 4:45 p.m.

INSTRUCTOR: Ben, Orange Stem Organization

NASA SCIENCE OF FUTURE EXPLORERS

Mad Science and NASA have joined forces to bring the wonderful world of space to their extra curricular program. During the sessions the students will have the chance to experience an extraordinary journey through the solar system. With unique interactive activities and educational demonstrations by the instructor, this program is out of this world!

INSTRUCTOR: Mad Science

CULTURE SHOCK DYNAMIC DANCE

Culture Shock's instructor Cybil will have students dance into the latest trends and current dance moves. The program provides enriching self-esteem building activities, education in relational teamwork and leadership skills. In addition, the program offers a platform for practicing those skills, developing social bonds and successfully working towards a challenging long-term goal with peers. This contributes to greater resilience – helping youth to reach their full potential.

INSTRUCTOR: Cybil, Culture Shock

FREE FORM FRIDAYS

Students enrolled in the All Day program will enjoy crafting, games, yoga and socializing with the After School Program Coordinator Ms. Sharleen McCorrister. Sharleen is a seasoned certified Montessori casa teacher and classroom assistant in American Elm at BHMS.

INSTRUCTOR: Ms Sharleen
