FINANCIAL
HANDBOOK
2026-2027

Revised April 2026

Where Mind and Spirit Go Hand in Hand

Welcome to Bishop Hamilton Montessori School

Our goal is to keep you informed and allow you to participate in all aspects of your child's education. The BHMS Financial Handbook is designed to provide you with an overview of our financial policies and procedures. This is a useful resource that identifies much of the information you require and serves to define the financial relationship between the School and our parent community.

BHMS is a not-for-profit independent school, and as such, receives no public educational funding from the Province of Ontario. In our continued efforts to maintain, enhance and broaden the scope of our programs and facilities, the School implements annual increases to fees. BHMS relies on tuition fees, including the ongoing support and generosity of our community through our fundraising campaigns. The School participates in the Canada Wide Early Learning and Child Care (CWELCC) System.

We look forward to sharing an enriched and stimulating year with you and your child. I encourage you to read this Financial Handbook and do not hesitate to contact the Administration Team should you have any questions.

Bursary Program – Elementary and Junior High

As a registered Christian not-for-profit Canadian charity, Bishop Hamilton Montessori School has a bursary program which serves to offer financial aid to families with financial need. The program will cover up to a maximum of 50% of the tuition of our core Montessori programs for students enrolled in Elementary and Junior High.

Financial Need

Financial Need will be determined by Apple Financial Services, an external company that will assess the family's finances and recommend the amount of money the family can afford to pay for tuition.

Apple Financial Services has been providing bursary and financial assistance analysis to private schools across Canada since 1993. This organization provides an unbiased evaluation of the applicant's financial resources and ability to fund their children's private education.

Returning families applying for a bursary must complete the application process by the deadline provided by BHMS at re-enrolment.

Applicants are required to pay an application fee to Apple Financial Services. To obtain additional information or to download an application, please go to www.applefinancialservices.ca.

The Application Process

1. Go to the Apple Financial Services website at www.applefinancialservices.ca
2. Create a parent account registration
3. After the email address provided is verified, a response will be sent with the subject line "Account Set Up"
4. Go into the online application
5. Complete the application; at the end of the process, requests will appear for the uploading of tax information such as T4s and current year's pay statements
6. Once the information is uploaded, the payment section will appear, and the application fee will be required.

Bursary Committee

A Bursary Committee consisting of two non-parent members of the Board of Governors and the School Director reviews the recommendations made by Apple Financial Services and determines the final bursary amount.

Referral Initiative

BHMS values your show of support through referrals. As a token of our appreciation, parents who refer a family to the School which results in enrolment of one or more students from that family will receive \$500. There is no limit to the number of referrals that an individual may receive for families enrolling in the School.

V. Withdrawals

Student Withdrawal

If it is necessary to withdraw a student, parents must give the school written notice. Student withdrawals are subject to a \$2,500 penalty in addition to non-refundable fees as summarized in Sections I & II titled Fees Defined.

The calculation of refunds is based on the last date on which the student attends school or the date of receipt of the written notice, whichever is later. The date of notice is the date on which the withdrawal request is received by the school in writing and signed by both parents / guardians. Refunds, if any, will be processed within thirty days of receipt of the written notice of withdrawal.

Re-Enrolled Students:

The \$2,500 withdrawal penalty will be waived for students re-enrolled for the upcoming school year, **provided the notice of withdrawal is communicated in writing to the school by June 1st**. In this instance, all fees are refundable **except the Enrolment and Capital Fees**.

New Students:

In the case of new students enrolled for the current or upcoming school year, all fees are refundable, except the \$1,000 Initial Payment and Enrolment Fee. If however, notice of withdrawal is received within ten days of initial enrolment, the school will reimburse all funds except the Enrolment Fee.

New students who enroll after January 1st, are required to enroll for the following academic year. In these instances, the School requires an Initial Payment in the amount of \$1,000 plus Enrolment Fee, that will be applied towards the following academic year. This amount is non-refundable.
