Introduction

Dear BHMS Families,

BHMS has a uniform and dress code policy for Casa, Elementary and Junior High students. The BHMS uniform policy represents more than a dress code, it is part of our commitment to creating a respectful, inclusive, and focused learning environment for every student.

Our uniform policy helps place the emphasis on the person rather than appearance. By reducing comparisons based on clothing, fashion trends, or brands, BHMS students are encouraged to value one another for their character, actions, and contributions to the school community.

Wearing a common uniform also reinforces the idea that everyone is equal. Regardless of background or personal circumstances, students come to school with a shared sense of belonging and identity. This helps foster inclusion, mutual respect, and school pride.

Please support our work in fostering respect and pride in self by ensuring that your child comes to school well-groomed, hair cleaned and brushed with a properly fitted uniform. We are preparing students to enter society, care and pride in self are basic yet important expectations.

We designed this guide to provide you with an overview of our uniform and dress code requirements. This is a useful resource that identifies much of the information you require and serves as a guide to understand BHMS standards.

Uniform Supplier – TopMarks

BHMS has a uniform and policy for Casa, Elementary & Junior High students.

All uniform articles are purchased by parents directly from Top Marks, our uniform supplier. Parents can place orders online, by email, fax or mail.

BHMS requires all students to be well groomed. Clothing must be in good condition and appropriate to the physical activity. Uniform shirts should be always tucked in and buttons done up. Same standards apply before, during and after school. Hair must be clean, brushed and tidy. Please label all clothing. A second set of school uniform clothing is provided to the school in case of mishaps.

Make-up or nail polish are not considered consistent with the school uniform and not permitted. Jewelry is kept at a minimum, but students may wear watches and small earrings.
